COMPANY PROFILE

We've proudly profound the Northern 800 laminate as top notch product in 0.8 mm segment with collections ranging from natural woods, spell bound textures, and enigmatic collection of colours and finishes to sum up all your needs in one single package. Experience and expertise of more than 10 years

So visit our collection and help your selves draw a line between the extra ordinary and exquisitely sublime interior decor.

SUPER HIGH GLOSS | TEXTURE | SUEDE FINISH

SUPER HIGH GLOSS

This laminate collection represents a world of plush and poise of a different segment altogether.
